Tasting notes

With a lively fragrance and crisp palate, citrus flavours and hints of fresh herbs lead to a zesty, mouth-watering finish. Ideal on its own or with seafood, Asian flavours and anything fresh, zingy or bold, this is a very food-friendly wine.

Vintage 2022

The 2022 growing season got off to a good start with favourable conditions in the first three months setting up a good crop. The Sauvignon harvest is best described as short, sharp, and very busy as we worked our way through the blocks in just fourteen days. A very busy vintage has quickly turned into a very busy period and with wines are already looking delicious. Vintage 2022 was logistically quite challenging, for a number of reasons, which makes it all the more satisfying when the wines come together nicely at the end of it all.
